

What is College?

A Brief Guide

There are many different types of schools!

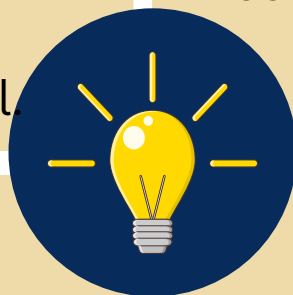

Soon, you will enter middle school and then high school.

What comes next?

You can go to college!
College is a school you attend after high school.

Who can go to college? Everyone can!

You can apply and go to college! So be sure to listen to your teachers and do your school work.

Why do people go to college?

To learn skills and knowledge so you can be all you want to be and do what you want to do for your future job.

Talk with your parents about college options!

A zookeeper could study zoology in college to learn about animals and how they live! Your teacher went to college to learn about subjects to teach you!

If you want to learn about all the different types of colleges, your counselor would love to tell you more!
