

Skills Checklist

Skills You Need for Success in School and Beyond!

Mastering these skills while you complete middle school helps set you up for **success in high school, college, and beyond**. Do you think you can improve these skills? **Speak with your teachers and school counselors about how to practice!**

Communication

Share ideas with classmates and listen carefully to your teachers. This helps you to learn and connect with others.

Critical Thinking

Ask questions and think deeply about ideas, problems, and challenges. Be a detective thinking through and uncovering the world's mysteries.

Creativity

Express yourself through art, music, writing, or coding. Being creative lets you show your unique style and express who you are!

Collaboration

Team up with classmates to tackle projects and achieve shared goals. You can combine your strengths and achieve even greater success together.

Emotional Intelligence

Think about your feelings and the feelings of others. This helps you build friendships and handle tough situations.

Check what

you know

and

star what

you can learn

Flexibility

Adapt to changes and embrace new ideas with an open mind and positive attitude.

Information Literacy

Learn how to research using books and online sources to help you find accurate information.

Leadership

Take charge of group projects, inspire your peers, and be a role model to make positive changes in your school and community!

Problem Solving

When faced with challenges, use your brain to think outside the box like a fearless adventurer.

Social Skills

Be polite and resolve conflicts through communication. Social superstars create a welcoming environment for all!
